From raw recording to published episode.

I produce a weekly podcast from raw recording to published episode. I can take the whole show off your plate: editing, show notes, publishing, clips, and even booking you as a guest on other shows.

MONTHLY PODCAST PARTNERSHIP

Your weekly show, produced and published, without you touching the edit.

Weekly Show Partner

\$2,400 / month

Compared with booking 4 full-service episodes one at a time (\$2,800).

- 4 episodes edited (up to 60 min each)
- Show notes and chapter markers for every episode
- Uploaded and scheduled on your podcast host
- 8 social clips (2 per episode), captioned
- 1 revision round per episode
- Priority turnaround: 3 business days

SAVES \$400 A MONTH

3-month minimum · 30 days' notice to cancel · Billed monthly in advance · Video version +\$250 per episode · Guest booking add-on \$1,400/month.

HOW I WORK

- Your guests' words stay intact. I remove filler and stumbles, never meaning.
- Recordings stay private until you publish, and nothing goes live without your OK.
